Hetauda Sub-Metropolitan

Institutional Overview

Makawanpur Multiple Campus (MMC), a pioneer non-profit earning public campus of Makawanpur district, was established in 2037 B.S. with the view of providing higher education not only to the people of Makawanpur district, but also the aspiring people from neighboring districts. MMC at present has been running bachelors programmes in Science, Management, Humanities and Education affiliated to Tribhuvan University. Likewise, Master's degree programmes in Management and sociology in Humanities quite effectively, affiliated to Tribhuvan University.

Makawanpur Multiple Campus (MMC) will be developed as a leading and vibrant educational institution with the potentiality of being University which will enhance the quality of higher education and research in the region and nation through the involvement of local bodies, social organizations, local community and others concerned. It is widely recognized for the quality of its educational and research programs.

Theme of the Conference

This program is aimed to bring the community and the campus together so that they can work together to fulfill the need of each other's. As a community campus, it must function to address the need of community and in return they also provide critical feedback to the implementation and production of the distinct and desired skilled man power for them. So, this program will be a milestone in creating an exciting and fruitful discussion bringing the employer and the campus which will produce the employee. They can work to promote and grow together.
